

## Multiple Spanish-Language Resources in One

### SPANISH REFERENCE CENTER

*Spanish Reference Center* delivers a reference collection for ages 6-12 through college ages. Separate home pages for each level allow schools and libraries to tailor the product to their users' needs, making it the only online Spanish-language database that offers age-appropriate content for everyone.

*Enciclopedia Universal en Español* includes over 47,000 encyclopedia articles plus 9,100 images, maps, and tables. Complete with a dictionary, atlas, and timelines, it's the perfect resource for native Spanish speakers, bilingual students, and students learning Spanish. *Enciclopedia Juvenil* provides a Spanish Elementary Encyclopedia with 1,500 articles, images, Spanish-language videos, and Spanish Learning Materials specifically designed for younger students. These resources are designed to help students sharpen their language skills while they learn new lessons.

*Enciclopedia Juvenil* offers reference and learning materials for ages 6 to 12.

#### Content For All Ages

Separate databases deliver age-appropriate resources for elementary learners and more advanced users. Students can progress from one database to the next over time.

#### Multiple Resources In One Location

Search the encyclopedias, atlases, images, multimedia, and much more during the quest for knowledge.

#### Broad Coverage of Subjects

Younger students may search Animals A-Z or the Learning Materials, while older users can browse the comprehensive encyclopedias. It's all here, in one trustworthy resource.

*Enciclopedia Universal en Español* delivers 47,000 articles for older students and adults.
