

TEKS-aligned, achievement-oriented

Gale's Texas Virtual Library helps increase student achievement and refine staff technology skills.
One affordable price brings you this impressive suite of online resources:

General OneFile

Offers a collection unmatched in its scope and depth: more than 6,000 full-text periodicals, 3,000 refereed journals and 300 full-text newspapers. It all adds up to nearly 11,500 titles with 25 years of backfile coverage, and an astounding 50 million database records, easily searched and retrieved.

Literature Resource Center (with Twaynes and Scribners)

Reference Books Bulletin/Booklist Editors' Choice Best Reference

The premier resource for literary study delivers the equivalent of 1,400 reference volumes plus periodicals. Easy, accurate searches produce critiques, summaries and biographies from every literary genre.

Student Resource Center Gold

Reference Books Bulletin/Booklist Editors' Choice Best Reference

The acclaimed, fully integrated collection of standards-aligned references (more than 550 volumes) features primary documents, essays and critiques, plus more than 1,100 periodicals, 20,000 images and hours of video and audio. Includes Discovering Education Streaming.

Student Resource Center Junior

Contains more than 525 volumes of curriculum-targeted primary documents, biographies, topical volumes essays and critical analyses – then adds full-text coverage from more than 300 periodicals, 20,000 images and hours of audio and video.

Kids InfoBits

The engaging, easy-to-use K-5 resource delivers more than 140 acclaimed volumes, nearly 100 full-text, age-appropriate magazines, tons of kid-friendly graphs, charts and maps, and more than 2,500 other searchable images.

Texas Almanac Online

Electronic version of the Texas Almanac. Students will find valuable information about the history, politics and geography of the Lone Star State.

InfoTrac Custom Newspapers

Allows students to easily search more than 1,200 newspapers, including national titles like the New York Times (backfiled to 1985) and international publications. Plus, users can find local and regional newspapers like the Houston Chronicle, the Fort Worth Star-Telegram and the Austin American-Statesman.

Supporting 21st Century Texas Students

High-stakes learning environments demand high-performance resources. Gale, part of Cengage Learning, helps you take advantage of TexShare while boosting technology skills in accordance to Web 2.0 philosophy of full Internet integration in the school.

Look to Gale for:

Powerful platforms. A Gale exclusive, *PowerSearch Plus* lets you cross-search award-winning Gale databases along with TexShare products from EBSCO and Britannica, as well as the OPAC system. This advanced technology filters and refines each search for time-saving, targeted results. A 2008 CODiE finalist!

Audio advantages. Gale supports differentiated instruction with a variety of audio options ready to put into use today:

- Podcasts ready for any student with an MP3 player
- Audible articles from Gale references, ideal for students on the go
- Language translation of Gale articles, a benefit for students who use English as a second language
- ReadSpeak, which heightens comprehension for reading-challenged students, people with impaired vision, and more.

eBook benefits. Take full advantage of today's technology with the ease and convenience of eBooks available through *Gale Virtual Reference Library*. Unlimited simultaneous usage of our full-text references means students have access to homework help from the mall, the coffee shop, or anywhere they have Internet access. More than 45 publishers included.

Reference reliability. Gale offers you not only the finest reference content, but the peace of mind that comes with knowing this valuable information will stay in your school for as long as you need it.
