

Why so many schools and libraries are trusting Marshall Cavendish Digital

Authoritative Content

Content for all Marshall Cavendish Digital products is based on our award-winning print titles. Full-text reviews of Marshall Cavendish print titles are available on the Marshall Cavendish Digital welcome page.

Customizable Information

Marshall Cavendish Digital is customizable to the needs of the individual library. Libraries can order the curriculum-based products that best suit their specific needs . . . or they can order the entire Marshall Cavendish Digital collection.

Eye-Catching Photographs & Illustrations

A broad range of high-quality photographs, diagrams, maps, and drawings accompany each article. In addition to being printer-friendly, these illustrations or photographs can be zoomed or panned for greater detail. Articles come with an image gallery for a quick overview of all images.

And much more

- New, enhanced search capabilities
- Remote access and unlimited concurrent users
- Clickable *Merriam-Webster* Online Dictionary and Thesaurus
- Hyperlinked cross-references to related articles
- Outlines, citations, and printer-friendly versions of articles
- Printer-friendly versions of zoomed illustrations and photographs
- My Folder feature available for entire length of subscription period
- Bookmarks, note-taking options, and email for individual users
