Educator Feedback

"The site is well-designed and provides a wealth of resources for the classroom."
 -- *North Carolina Dept. of Instruction.*

"The maps are wonderful, and the number and variety to choose from is delightful. I didn't have access to many of these types of maps before."
 -- *Teacher, Houston (Texas), in which Classroom was purchased pre-K - 12th grade*

"I really like using this with my projector system ... It's great to have all of those maps at my fingertips!"
 -- *Teacher, Faulk (South Dakota) Public Schools*

"The maps and programs are eye-catching and appealing. Today's students respond to colorful and moving graphics and that is what Rand McNally is all about. Are they informative? You bet!"
 -- *Social Studies Coordinator, Vincent Middle School (Beaumont, Texas)*

"Rand McNally Classroom has been an important part of our Social Studies curriculum this year. It is easy to navigate, gets maximum learning from our students and is fun for everyone. What a great program!" *Teacher, Hardin High School (Montana)*
